## How does the immune system help you on a daily basis?

Through external mechanisms (skin and mucous membranes) and internal (white blood cells), it allows us to defend ourselves against threats such as viruses, bacteria, fungi, etc. If the immune system works properly, our body will be able to prevent infections and colds. It will also enable us to enjoy better health, our family, work, and leisure time. Healthy habits are the great allies of our defense system: eating in a balanced way, being physically active, resting, sleeping enough hours, and reducing stress.

## What does 4Life Transfer Factor Plus Tri-Factor offer?

- Zinc contributes to the normal functioning of the immune system.
- The exclusive combination of aloe vera (*Aloe barbadensis*) and mushroom extracts (*Agaricus blazeii, Grifola frondosa,* and *Lentinus edodes*) supports our natural defenses.
- 100 mg of 4Life Tri-Factor Formula per capsule.

**INGREDIENTS:** 4Life Tri-Factor™ Formula (obtained from cow colostrum **[milk]** and **egg** yolk), inositol hexaphosphate, **soy** powder (*Glycine max* [L.] Merr.), stabilizer (hydroxypropyl methylcellulose), Cordyceps extract (*Cordyceps sinensis* [B.] Saccardo), fermented baker's yeast, zinc mono L-methionine sulfate, fruit body extract of almond mushroom (*Agaricus blazeii*, aloe vera leaf powder (*Aloe barbadensis*), oat extract (*Avena sativa L.*), olive leaf extract (*Olea europaea L.*), lemon peel flavor, shiitake fruit body extract (*Lentinula edodes* [Berk] Pegler), maitake fruit body extract (*Grifola frondosa* S.F. Gray), and water.

Warnings: Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. KEEP OUT OF REACH OF CHILDREN. Store in a cool dry place.
