- Dissolves food film for a clean, bright smile
- Freshens breath with a refreshing mint flavor
- Offers a flouride-free formula and xylitol to fight cavities

113 g (4 oz)

What Is enummi Toothpaste?

Choosing a toothpaste means more than picking your favorite flavor. To receive the most out of your toothpaste, make the choice for a formula that offers more than a simple scrub. enummi Toothpaste supports oral health with ingredients that promote clean teeth, for a whiter, brighter smile. This gentle, fluoride-free formula cleans teeth without harsh, abrasive agents and freshens your breath with a great-tasting, mint flavor.

Did You Know?

Experts recommend brushing for two to three minutes each time you brush your teeth. Don't forget to change your toothbrush, too! The American Dental Association recommends a new brush every three or four months, or even sooner if the bristles look frayed.

Key ingredients

- **4Life Transfer Factor™:** The only toothpaste with our exclusive formula.
- **Postbiotic:**The Lactobacillus lysate balances the oral microbiome and supports oral care.
- **Xylitol:** Provides a sweet taste and helps inhibit the growth of cavity-causing bacteria.
- **Zinc Oxide:** Reduces bacterial growth and may help prevent plaque formation.
- **Coenzyme Q10:** Offers antioxidant properties for gum care.
- **Lactoferrin:** Inhibits the growth of harmful bacteria in the mouth.
- **Mild Mint Flavor:** A delightful mint flavor with a subtle hint of cinnamon.

Ingredients: Sorbitol, silica, aqua, glycerin, calcium carbonate, aroma, sodium lauroyl sarcosinate, xylitol, sodium bicarbonate, zinc oxide, Stevia rebaudiana extract, cellulose gum, lactobacillus lysate, sodium benzoate, colostrum, ubiquinone, dried egg yolk, and lactoferrin.

Directions:

Apply a small amount of paste to toothbrush and brush thoroughly two times a day (or more) or after each meal. Children ages 2 to 6 should be supervised to minimize swallowing.

2 times a day* keep my dentist away!

* 2 times or more. Preferably after each meal.

4Life® products are not intended to diagnose, treat, cure, or prevent any disease. Keep out of reach of children.
